

New Mexico Schools COVID-19 Testing Program

Updates and Announcements

Thank you for registering with the New Mexico Schools COVID-19 Testing Program. Whether you are still selecting the best testing program option for your school/district or are preparing for your program launch - our team is here to offer support through each step of the process.

If you have questions about the program, please join us for [Office Hours](#) or email info@nmschoolscovidtesting.com.

SimpleReport Webinar Announcement

All schools performing their own Point of Care (PoC) on-site rapid COVID-19 tests are required to submit positive and negative test results within 24 hours to NMDOH through a platform called SimpleReport.

SimpleReport is a CDC platform that allows schools to easily report COVID-19 results to public health departments. It is entirely web-based, allowing multiple users to report from your school at the same time. Results are reported in real-time; the system stores all results for you to revisit.

We are holding a special webinar on Tuesday, December 7 from 3 - 4 p.m. with SimpleReport to help you get started with this helpful and important tool.

For registration and onboarding guidance please visit our [SimpleReport 101 page](#) on our website.

When: Tuesday, December 7th, 3 - 4 p.m.

Where: Zoom

How to Join: [Register at this link](#). You will be sent an email with the joining information.
