Direct Funding Reporting

If you have not yet logged in to the Direct Funding Expense Reporting Portal, we recommend filing your COVID-19 reimbursement requests as soon as possible. Reimbursement approval is based on the documentation provided and the relevance of expenses to COVID-19 prevention, mitigation, and response during the 2021-2022 school year. Reporting will close at the end of June 2022.

If you do not have a login or are experiencing problems logging into the portal, please reach out to our team for assistance at reports@nmschoolscovidtesting.com.
