

## New Mexico Schools COVID-19 Testing Program

### Updates and Announcements

**Thank you for registering with the New Mexico Schools COVID-19 Testing Program.** Whether you are still selecting the best testing program option for your school/district or are preparing for your program launch – our team is here to offer support through each step of the process.

If you have questions about the program, please join us for [Office Hours](#) or email [info@nmschoolscovidtesting.com](mailto:info@nmschoolscovidtesting.com).

### Reporting Direct Funds

Thank you to all the schools and districts who have submitted reporting to us for their direct funding! Our [Direct Funding](#) option is making it possible for schools and districts to expand and support their workforce, create safe learning environments, and follow CDC COVID-19 guidance.

As of April 15, we will not send additional funds (requests for reimbursement) until your school/district has reported on the total amount of funds received via the advance. Please reach out to our team at [info@nmschoolscovidtesting.com](mailto:info@nmschoolscovidtesting.com) with any questions

### Rapid Antigen Kits for High SVI Districts

The New Mexico Department of Health was afforded the opportunity to designate school districts to receive Abbott rapid antigen test kits from the CDC.

To be eligible, districts should be located in high Socially Vulnerable Index (SVI) counties, and be ready (by meeting all federal and state requirements) to use the test kits. Populations in high SVI counties are especially at risk during public health emergencies because of factors like socioeconomic status, household composition, minority status, or housing type and transportation.

Is your district interested in participating?  
[Contact us](#) for more information.

## Rapid PCR Test Orders

In case you missed it: The [Order](#) page includes an option to order Accula Rapid PCR tests. If you have fulfilled the requirements for rapid PCR testing, you may order additional tests [here](#).

As a courtesy to registered schools/districts, we have already asked DHI to add Accula Rapid PCR to your Waiver if you submitted your CLIA CoW to our program. Please contact us if you have questions.

## Office Hours Schedule

Office Hours are held every Monday, Wednesday, and Friday at 3:30 PM.

We look forward to seeing you there!
