Additional Vendor: Curative

Additional Testing Vendor

We are pleased to inform you that all NM school districts and schools have an additional COVID-19 testing service that you may choose to contact for COVID-19 testing in schools. New Mexico school COVID-19 testing services will continued to be supported by Premier Medical Group (PMG) and Curative.

Any school district or school who currently has services through PMG and wants to change to Curative will need to notify PMG in writing via a notice of discontinuation of service with a copy to info@nmschoolscovidtesting.com.

REC-1 CLIA Program

CLIA Certificate of Waiver Umbrella

The Four Corners Regional Education Cooperate #1 (REC-1), in partnership with NMDOH, will be providing all New Mexico schools with an alternative option to receive a CLIA Certificate of Waiver. Participating schools will work directly with REC-1 for approval as an authorized testing site under the master CLIA held by the REC-1 organization.
