

New Mexico Schools COVID-19 Testing Program

Updates and Announcements

The following are important announcements to plan your testing programs this summer and for the 2022-2023 school year.

If you have questions about the program, please email info@nmschoolscovidtesting.com.

Don't Forget! Summer Q&A Session Next Thursday

The New Mexico Schools Testing Program is changing for the 2022-2023 school year. To best assist you through the transition, our team and NMDOH are hosting a series of Q&A sessions throughout the summer.

Our first session will be held Thursday, 6/23 at 2:00 PM. Please register using this link: <http://www.tinyurl.com/elcsummercheckin>

Read the plans for the 2022-2023 school year [here](#).

Federal SVI Test Kit Requests

The distribution of test kits through the Federal SVI program is on hold for the summer. All requests for tests must be submitted before 6/20. We are awaiting more information about whether this program will return in the fall.

Before submitting a request, please verify that 1) you are able to receive and store test kits and 2) if requesting school-administered rapid antigen kits, you have [completed the requirements](#) for Abbott BinaxNOW.

SY21-22 Reimbursement Requests Due

Please don't forget to submit your reimbursement requests related to COVID-19 prevention, mitigation, and response for this

school year (SY21-22) by June 25, 2022.

Office Hours is on Break!

Friday, 6/17 is the last scheduled date for our summer weekly Office Hours appointments.

If you need anything in the coming months, please email us directly to schedule a time to meet with our team. Include the nature of your question in your request so we make sure the correct team member gets back to you.

We will have additional opportunities for assistance and guidance in the fall.

School-Administered Testing

[New Mexico Department of Health has created guidelines for point-of-care \(POC\) testing.](#)

For schools currently offering POC/School-Administered testing, please ensure your testing programs are in compliance for the upcoming year.

Schools interested in starting POC/School Administered must meet all requirements before beginning testing.

For technical assistance on your testing program, we recommend contacting your School Health Advocate.
